### **If you are keen to work outside and learn how to manage gardens then please read on...**

#### **What are we looking for?**

Are you an enthusiastic outdoor person looking for a new challenge with Buckinghamshire's most prestigious Garden Maintenance Company?

These are exciting opportunities for pro-active and reliable people to join our award-winning Design, Landscaping and Maintenance company, based in Penn, near High Wycombe. We're now in our 21st year and have a loyal base of customers who trust us to keep their gardens looking pristine. We have big ambitions to grow our business and are looking for new team members to join us.

We have opportunities for those with and without prior experience, we will offer training to motivated individuals who are keen to learn. Even if you are looking for a short term role but are prepared to give it your all, we would love to hear from you.

#### **Is this for YOU?...**

- Do you love working outside and enjoy the sense of achievement that garden work brings?
- Does it take more than hard work or a drop of rain to put you off your stride?
- Are you serious about learning how to make a garden really sing?
- Are you hungry to learn more about gardens, plants, lawncare, trees and machinery?

If this sounds like you, we might have your perfect next role!

We are on a mission to become the garden maintenance team of choice for our own design and landscaping clients, as well as for the best and most prestigious gardens in Buckinghamshire. You will be joining a fun and diverse team working from our listed converted barn just outside Beaconsfield.

### **What you can expect**

Daily tasks that you will be trained in include typically Lawn care, plant care, wedding, trimming and seasonal tasks such as leaf blowing and clearing.

You will be trained in hedge trimming and topiary clipping, and how to assess what needs doing in a garden to make it look good all year round.

You will be working outside all year round, and we do need drivers so that you can get to us and to our clients.

### **What's in it for you?...**

- As a member of our team, you'll join our broader design and landscaping community, as part of a great group with fantastic camaraderie.
- You'll receive a competitive salary and company pension scheme.
- Additionally, there's 28 days hols (including bank holidays), endless support and learning opportunities, and the chance to make a real difference to the gardens you work on.
- Either end of the day the teams meet and enjoy the facilities of a well-equipped office at our beautiful listed barn conversion on the edge of Beaconsfield
- We have a track record of welcoming diversity- the outdoor life definitely suits those looking for room to breathe!
- We are a supportive employer, when you go the extra mile to deliver results, we go the extra mile to support you.
- And to top it off, our resident Head of Wellbeing (aka Carl, one of the Directors) is in charge of organising Friday Treats and the Arcade Game tournaments!

If you've read this far and are now are feeling that this is the right role and environment for you, then please apply by sending your c.v. and cover letter [HERE](#) . We will respond to every application!
